

No Parking Signage

“No Parking” signs are available at City Hall free of charge. These signs are on 8-1/2" x 11" card stock, and we recommend you staple or tape them to a paint stick, dowel stick or tomato stake for placement. We ask that you place these signs on the side of the street opposite your house - unless there is a fire hydrant in front of your house. The signs should be removed at the conclusion of a sale and/or event and should not be posted overnight.

If you plan to hold a Garage Sale and/or Special Event, please complete the corresponding application below and submit to our office.
