or set of drawings filed at the same time. Inspections will be combined where possible and appropriate. If this is not possible, then a separate permit is required for each item. Each sheet of the four (4) sets of construction plans that are required to accompany this Building Permit Application must be "signed" BUILDING PERMIT APPLICATION and "sealed" by an architect or engineer registered in the State of Missouri. The plot (site) plan must also be "signed" and "sealed" by a licensed surveyor or engineer registered in the State of Missouri. In most instances, PATIOS and INTERIOR FINISH jobs do not require plans that are "signed" and "sealed" by a registered architect. Provide two sets of complete plan layout of roof trusses including connections and any modifications for openings, with the truss diagrams, all approved and sealed by a registered architect/engineer.

The dollar valuation of all construction covered by this specific Building Permit. \$ _____
Note: The definition of "valuation" is the total cost to the homeowner for this construction, excluding the cost of the land.

The total square footage of all living space that will be constructed under this specific Building Permit, including the garage and finished basements in the house and in house additions. _____ Total SF.

NOTE: Plumbing, electrical, mechanical and elevator work must be done by Contractors registered in St. Louis County. Permits are to be secured from and inspections made by St. Louis County.

No representation in this Application, nor any statement, schedule or exhibit furnished by the Applicant or Owner pursuant to this Application shall contain any untrue statement of a material fact or shall omit a material fact necessary to make the statements, schedules or exhibits contained therein not misleading.

In the event a Building Permit is issued pursuant to this Application, construction must begin six (6) months of the date issued. Said Building Permit is valid for one (1) year from the date approved and is contingent upon the Applicant proceeding with due diligence to complete the Project. In the event the City determines that due diligence in the completion of the Project is not being exercised, said Building Permit shall, upon ten (10) days written Notice to Applicant, be rescinded and all work thereunder shall cease.

Submission of any untrue statement or omission of a material fact shall herein be grounds for the immediate revocation of any Building Permit or Occupancy Permit issued pursuant to this Application.

I HEREBY ACKNOWLEDGE THAT I HAVE READ THIS APPLICATION, THAT THE INFORMATION GIVEN IS CORRECT AND THAT I AM THE OWNER OR DULY AUTHORIZED TO ACT IN THE OWNER'S BEHALF AND HEREBY AGREE TO COMPLY WITH THE APPLICABLE REQUIREMENTS OF THE FIRE PREVENTION AND BUILDING CODES OF THE CITY OF CLARKSON VALLEY, MISSOURI. IT IS FURTHER UNDERSTOOD THAT THIS APPLICATION DOES NOT CONSTITUTE A PERMIT.
